Sir:

In response to the Office Action mailed 2002 May 09, please amend the above application as follows:

Title: Change to –System and Method for Indexing Recordings of Observed and Assessed Phenomena Using Pre-defined Measurement Items–

Specification: The Specification has been extensively rewritten and reorganized to make it easier to read and more clear. No new matter has been added to the application. A comparison to the original specification document is included. To avoid a large number of specific changes and tedious replacement, the entire rewritten Specification is included (see attached). A document comparing the prior and current Specifications and showing changes is also included.

Drawings: Formal drawings have been prepared and are included with the revised Specification.

Claims: Cancel all claims of record and substitute new claims 14 to 47 as follows:

Certificate of Mailing: I certify that on the date below this document and referenced attachments, if any, will be deposited with the U.S. Postal Service as express mail in an envelope addressed to: Box Non-Fee Amendments, Assistant Commissioner for Patents, Washington, DC 20231

2002 Nov 11

A handwritten signature in black ink, appearing to be "H. Tien", is written over the date.
